

# *Carmoney Poodles*

## Carmoney Poodles' Care Tips

- Leave hard food out at all times
- Feed soft food in the morning and at night
  - Eukanuba adult canned food
  - Avoid canned food in gravy - causes diarrhea
- Special food
  - NutraCal or NutraStat high calorie
  - Give about ¼ to ½ inch
  - First thing at airport
  - Morning, afternoon and night
  - When baby is showing signs of stress
  - If you leave the baby for a long period of time (ie. before going to town)
  - Before getting groomed
  - After playing hard
- Avoid potentially fatal accidents:
  - Dropping the baby
  - Shutting door on the baby
  - Stepping on the baby
  - Bumping the baby's head
- Emergency procedure if you experience any accidents:
  - Immediate attention is required
  - Give them 2cc of honey or karo syrup
  - Wrap baby in blanket
  - Rub them
  - 'Maintain happy talk'
  - Give teaspoon of
    - a) Science Diet A.D. (canned)
    - b) Gerber's Chicken baby food - both are easily digested
  - If condition worsens consult a veterinarian immediately

- **Causes of Diarrhea**
  - Greasy dog foods
  - Change in diet too fast
    - gradually change food over a 5 day period, 20% difference each day
  - Too much stress - not uncommon for a puppy to be stressed out
- **Kinds of Diarrhea**
  - Soft and mushy - calm the baby's tummy
    - give the baby yogurt or cottage cheese (gives good bacteria)
  - Runny with blood - baby has sugar low (acts drunk/can't get up)
    - give the baby 2cc of honey, karo syrup or teaspoon of Science Diet AD/Baby food
  - If problem persists consult a veterinarian for medicine
- **Veterinarian could/should prescribe:**
  - Albon
  - Metronidazole
  - Bene-Bac Pet Gel
  - Dia Bac
- **At Five to Seven Months:**
  - Start picking up their hard food at night
  - Cut back on canned food
  - Cut back on NutraCal
  - Each dog is different you will get a feel for its personality and be able to make wise judgment calls.

All of my Teacups, Tiny Toys and Toys are purebreds therefore they will be tiny, healthy, free from severe genetic disabilities and have long life spans. Please feel free to call me with any concerns or questions.

I hope you enjoy your new little baby as much as I do,  
Colleen DuBerger
